This is the registration form. We answer questions like what is my name and what is my address on here. This is so that the club knows who I am.

I can wait in the seating area beside the entrance and reception area.

There is a large hall where we sometimes practice sports. If it is too noisy I can wear headphones or earplugs

changing area.

The changing room has an entrance to the toilets. I can use these toilets at any time.

When I am finished getting changed, I go down the stairs to the pitch. This is where I train and play matches. Supported by

Developed by

Sometimes it is dark when I am training. There are big lights that light up the pitch when it is dark. These lights are bright.

Supported by

There are some rules I must follow before entering the pitch.

The rules of the GAA Club are: I must wear sports shoes I must wear a sports helmet I take off my watch or jewellery when practicing sports No eating or smoking allowed on the pitch

There will be other boys and girls on my team and playing the game with me. We will be running and chasing the ball. It will be fun.

The hurls can sometimes bang together and make a loud noise.

Supported by

When training is finished the coach will blow his whistle again. We will go back to the changing rooms and get dressed. Then I will go home.
