There are some displays outside of the shop, like this tiger. This might scare me, but this is ok. It is only there as a display. There is a sign on a surf board saying Jellyfish Surf Co at the left side in front of the shop. I am welcome to come into the shop and can go through the front door.

Inside the shop, there are lots of clothes, surf boards and wetsuits for sale. There is also some equipment for water sports. If I want to buy something but am unsure if it will fit I can ask a staff member working in the shop for help.

They will direct me to the changing area, where I can go inside and pull the curtain over, to try on clothes I might want to buy.

If I decide not to buy anything, that is ok. If I do want to buy something, I can take it to the till area.

The person working in the shop may be at the till area. I can ask them for help if I need to. If they are not at the till, they may be helping another customer, or on the shop floor. They will still be there to help if I need anything.

I can pay for the item using money or my card. The staff member will give me what I have bought in a bag. I say thank you and goodbye, and I can bring what I have bought home with me.
