SUSU is a clothes boutique in Clonakilty. It stocks ladies' clothes. I am going there today. The sign for SUSU is marked clearly outside the door.

I am welcome to go inside,

Different people work in the shop and they are there to help me if I have any questions

Sometimes I might like to buy an item of clothing but am unsure if it will fit. I can ask someone who works at the shop if I can try it on.

The person in the shop will direct me to the dressing room. I can try the clothes on here.

Sometimes I might have to wait to try clothes on if someone else is using the dressing rooms. There is a place I can sit while I am waiting.

Sometimes I will decide not to buy what I tried on in the dressing room. This is ok. Other times I will decide I do want to buy something in the shop. I must go to the till to pay so I can take it home.

I might have to wait for a staff member to come to the till, so I can pay. I can pay with money or with my card.

When I have paid I say thank you and goodbye. Then I can leave the shop.
