AS I AM .IE

One Asna Square is a restaurant in Clonakilty. There is a sign above the door saying One Asna Sq. Beside the door there is a menu, so I can look and see if I like the food on the menu before I decide to go in.

When I go into the restaurant, I can sit down at an empty table. A member of staff will come over to me to say Hello. They will bring me a menu.

When I have read the menu and know what I want, a waiter/waitress will come over and write down my order.

The food in the restaurant can have lots of different smells. I can use the air freshener from the sensory survival box, or hold my nose.

There will be a board on the wall with "Specials". These are things that the restaurant recommends today, and these can change every day. I can look at this to see if there is anything on it that I like.

If it is not raining, some people might choose to sit outside instead. If it is too noisy in the restaurant, I can choose to sit outside to eat.

The waiter/waitress will get whatever cutlery I need and bring it to the table I am sitting at.

The restaurant might be busy with other customers, and it might be noisy. This is ok, I can use my ear plugs if I need them, or sit outside.

When I am finished, I go up to the till area where I can pay for my food. There might be a queue and I might need to wait my turn. After I have paid, I can leave the restaurant.
